

Kindergarten Registration Is Here!

Dear TK and Pre-K Parents,

It's that time now to start thinking about registering for the 2021-2022 school year! Kindergarten is for children who will be 5 years old on or by September 1, 2021. We start taking **completed** online registration forms and documents from families on **February 23, 2021**. Our office hours are from 8:15am – 4:30pm.

To ensure a spot for your child, we will need the following:

- A copy of your child's birth certificate or permanent resident card (must be US issued and no B1/B2 visas accepted)
- A copy of your child's immunization record
- The printed recommendation form (this will go to your child's preschool teacher)
- The printed Emergency Release Form
- The registration fee of \$500.00, fundraising fee of \$100.00 and evaluation fee of \$25.00 are due at time of enrollment (total of \$625.00) **non-refundable*

The online registration must be completed, and all documents will be accepted starting on February 23, 2021. This is the 1st day of open enrollment to the public so make sure to register right away to ensure a spot! There is a \$25 testing fee for all new students. We will set up testing at the end of April and notify you as to when your child will be tested. You will receive an acceptance letter or phone call to inform you of enrollment. It is important that you don't wait to register. Kindergarten classes fill up quickly!

**We hope this procedure is simple for you. You may register online at www.lovingsavior.org and click on the School button. Scroll down to the registration links and click on the "More Information" arrow on the bottom of the registration you need. Just fill out the information needed, attach the documents required and hit submit. Follow all the directions carefully. Once complete, we will receive a confirmation email.
