

Welcome to Loving Savior School

Registration for International Students will
open on February 22, 2022

We are a Kindergarten thru 8th grade Lutheran School that hosts International Students. Each child will be introduced to our Lord Jesus Christ. Our goal is for each student to learn and grow during their time with us while building a good foundation for the future.

Please visit lovingsavior.org and click on the School link on the Home Page. Scroll down to the **International Student Registration** and click on the "More Information" arrow. You will be able to see some great information about our school and our International Program. This is where you will apply on the online enrollment link and print out the International Student Registration forms to complete and bring into the school office.

Feel free to call or email me for more information. Come by and visit our school for a tour! We are located at 14816 Peyton Drive, Chino Hills. We can be reached at (909) 597-2948.

Many Blessings,
Mrs. Brandi Krueger
