

# **Loving Savior of the Hills Lutheran Church & School**

**Mrs. Valorie Wend, Principal**

Greetings to you from Loving Savior of the Hills Lutheran Church and School!

We are happy that you are interested to become a critical part of our school, that is the student body and parents, and it is our intent to provide the best education for your son/daughter in these very formative years. Loving Savior is located in a safe and quiet residential neighborhood. We are dually accredited through the Western Association of Schools and Colleges (WASC) and National Lutheran School Accreditation. In fact, Loving Savior received the highest Accreditation possible once again in 2022, i.e., a 6-year term.

At Loving Savior, we all strive to develop and cultivate each and every student's individual abilities, to promote creativity and innovation, to instill and educate good citizenship, to provide and maintain the highest academic standards, to improve human relationships, and to minister to individual and family needs as best we can. In fact, 96% of our graduates go on to four year colleges located throughout the country. As important, we provide a thorough instruction in God's word to ensure that the students learn God's will, and get to know and trust Him as their living, Loving Savior. Community is very important to our mission and core values.

"Bring up your children in the nurture and admonition of the Lord." Ephesians 6:4

As principal, I have an open door policy (and practice). I make every effort to know and understand, as much as possible, each student. You will often find me speaking with the students, talking football (I am a devoted Dallas Cowboy Fan. Please do not hold this against me), and mentoring the students. I am a very hands-on principal who cherishes my role, and responsibilities. I sincerely believe that God has placed me at this school for a reason.

If you should have any further questions, please do not hesitate to contact me at any time. As you prepare to make this important decision regarding your child's education, we at Loving Savior would like to assist you in any way possible.

Sincerely,

Valorie Wend,  
Principal, Loving Savior of the Hills Lutheran School
