Loving Savior Lutheran School

FEBRUARY 2021
BY: MISS JESSICA

Above all, clothe yourselves with love which binds us all together in perfect harmony~Colossians 3:12

It's February!

I say this every month, but I can't believe we are already in a new month. With a blink of an eye, January just flew by.

Just a reminder, that registration begins this month. For existing students, registration will start February 8th and will open to new families on the 23rd. Make sure you enroll as soon as registration starts so you don't miss out on the early bird discount and most importantly a spot for your child for the new school year.

If you have any friends or

family members considering Loving Savior for the new school year, we do offer a referral credit. For every referred family or friend that enrolls in Loving Savior you will receive a \$100 credit towards your account. Referral payment is processed one month after the new student starts

school. Just make sure the family you refer adds your name to the referral section when they register online.

And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them.

1 John 4:16

Love each other, love yourself and most importantly love Jesus

A Message from Principal Wend

I just wanted to take a moment to again thank you for your continued support this year. This school year has looked a lot different, but we have all worked together to make the best out of a different situation.

Open Enrollment starts February 8th. I'd love to

see more families take advantage of early bird registration for the 2021-2022 school year. For parents, it's a great way to save some money. Not only that, it'll provide peace of mind in knowing your spot is secure. Kindergarten fills quick, so don't delay.

It's Super Bowl Sunday just around the bend! Chiefs or Buccaneers?

HealthTrac app and absences:

Please be diligent about taking your child's temperature each morning and inputting it on the HealthTrac app. When you complete the app before you bring your child to school, morning check in runs smoother. If your child will be absent for the day from school, but will be learning online, please make sure to call or email the front office as soon as possible so we can gather your child's books and supplies from their teachers. Three days or more of absence does require a doctor's note.

Scrip:

Scrip is sold year round for your shopping convenience. So think of us before you go wait in line or pay an activation fee for a gift card. We are fee free!
