Happy New Year Jaguars!

Boy, 2020 has been a whirlwind of a year. I think we can all say we are happy that 2020 has ended in hopes that 2021 will be a better year. Although 2020 wasn't an ideal year, there are lessons we can take away from it. For me, the year has taught me not to take things and people for granted, the value of time spent with loved ones, learning patience and having grace for each other and ourselves (especially during lockdown, my patience was definitely tested while I spent every moment with my family haha). 2021

isn't just going to erase all the bad of 2020, but we can choose to see it as an uplifting fresh start, a fresh perspective, along with new exciting goals to set and turn into reality. Let's make the most of this New Year!

Just a friendly reminder to start inputting your child's temperature and any symptoms (if any) on the Healthtrac app starting the week of January 4th. Although we are not back at school yet, it will be good start to get back on track.

The 2021-2022 school year registration will be

starting in February, so please read the note from Mrs. Brandi on the second page of this newsletter.

May God bless us all with a happy, healthy & prosperous New Year.

A message from Principal Wend

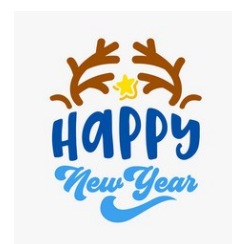

Happy 2021 Jaguars! It's time to dive into the new year after the holiday season. If you were out of town or were in large gatherings, please quarantine for 10 days to ensure you have not contracted the virus before returning to school. I hope that everyone remained safe and healthy during the holidays.

I am so grateful for our Loving Savior Families. May God continue to look after you and Bless you throughout 2021. There is Hope in the horizon.

January has lots in store for us, so please keep an eye on the calendar. As I always say, let's work hard to play hard!

May the New Year bring

Hope for a brighter future. I know we Can and Will get through this together.
