OCTOBER 2020

BY: MISS. JESSICA

Give thanks to the Lord; His love endures forever~Psalm 107:1

Happy Fall everyone. Oh my gourd, it's crazy how fast September has gone by and now we are already in the month of October. Looking around, it seems as though our students have gotten into the groove of things in traditional and virtual learning. Our teachers and students have been doing an amazing job and we are so proud of the hard work and dedication they have shown.

This month is also breast cancer awareness month. We will be doing a special prayer on Friday, October 2nd at 9:15am on Google meet. We encourage all

of our students, traditional and virtual to wear pink that day in support of all those who have been affected by breast cancer.

Unfortunately, with current circumstances we won't be able to have our annual Harvest Festival fundraiser, but PTLS has been working hard on brainstorming some fun alternative ideas in place of the Festival. We earned \$263 from the FNO last month at Chino Hills Pizza Co. A big thank you to all the families and staff who attended. If you missed the last FNO,

don't worry, we have several planned for this school year. We have a FNO on Wednesday, October 21st at Chipotle between 4pm-8pm, so make sure you stop by Chipotle for a tasty taco or a yummy BOO-rito. We hope to see you there!

Keep your eye on the calendar for a few additional half days this month as well as parent teacher conference dates and times.

A message from Principal Wend

Happy Fall y'all!

I can't believe it's October already! School has been going very well. I'm so proud of the students. They are working hard on their studies. One silver lining that I've been a witness to at school is the students have been so compassionate and loving to one another. Dur-

ing this difficult time, it is so important to remain faithful, kind, patient, and love one another. I know that as a community, we can, and will not only get through this together, but we will be stronger on the other side.

On a side note, my Dallas Cowboys are giving me heartache. Let's hope

they turn their season around. Haha.

Have a Blessed October, and please remain safe and healthy.
