## Welcome back Jaguars

### Welcome Back!

#### Welcome Jaguars

It's great to be back and welcome new and old families to Loving Savior. It's nice to see students back on campus and in Google meet. It's been a tough year for everyone and it's incredible to see how resilient and flexible the staff, students, and families have been in this new era of teaching and learning.

Our staff has been working hard with a tremendous sense of enthusiasm, fresh ideas, and positive attitudes. The teachers have adapted to virtual teaching along with the traditional style to make each and every student's learning

experience at Loving Savior unique yet challenging in a fun way.

It's with great pride and ROARING excitement that we welcome 65 new families to Loving Savior. Please join us in making them feel welcome as Jaguars.

If you look around, you'll see some changes that we have implemented to make the campus clean and safe for all the families who have chose to come back to school traditionally. We have hand sanitizing stations, social distancing signs/reminders, temperature check stations and much more. We are happy to do what's needed to

make our families feel comfortable and safe sending their children to school.

We thank all the families for sticking by us and supporting our efforts to get to where we are today. If you have any questions in regards to the school please call, email or even stop by the office and we will be happy to help. This school year is definitely a different one for all of us but our commitment and drive to make Loving Savior amazing is still the same. It's going to be a great

### A message from Principal Wend

Welcome everyone! I'm delighted to celebrate my 11th year as your principal of Loving Savior. This year has started off a little differently, but I am confident we will get through this together as a community. We are very proud of our students who are working hard on their academics, despite the different learning platform.

We've successfully finished our first month of school! Wow, time flies by. It has been a pleasure

to have our students back on campus! We are praying that soon, we will have everyone back.

We had a visit from the health department, and they were very impressed with our safety protocols. In fact, the health department stated "your reopening plan was such a solid one; we'd like to be able to share it as a best practice for a COVID-19 ready and compliant

campus." It was nice to hear and receive such positive feedback.

Lastly, please remain safe and healthy. Stay home if you are sic. Let's all work together as a community to keep each other healthy. We CAN and WILL get through this together.

14816 Peyton Drive  
 Chino Hills, CA 91709

 admissions@lovingsavior.org

A Note from the Office:

We are selling earthquake kits (\$15), Bibles (\$20), and agendas (\$10) in the office.

We are also selling Scrip!

What is Scrip? Scrip is gift cards that give a percentage back to the school with every purchase. For every \$200 purchased, your child will receive a Friday Free Dress pass. We have a large selection of gift cards from clothing, restaurants, grocery stores and much more. Come by the office and check out the selection.

Box Tops: Help our school earn cash by scanning grocery store or retail store receipts for Box Top products. Each item is worth 10¢ (or more) and our school can use the cash for whatever it needs. **See a list of products at [BTFE.com/products](http://BTFE.com/products)**
